**FINDINGS OF FACT, CONCLUSIONS OF LAW, AND
ORDER REVOKING THE LICENSE OF PETER DAVID LEE, D.O.**

The Missouri State Board of Registration for the Healing Arts, pursuant to notice and at its regularly scheduled meeting on April 17, 2009, took up a complaint alleging that Peter David Lee, D.O. had his Kansas Board of Healing Arts license to practice osteopathic medicine and surgery revoked, and was therefore subject to license revocation pursuant to the provisions of § 334.103.1 RSMo.

The Board was represented by its general counsel, Sreenu Dandamudi. Dr. Lee was not present and no one appeared on his behalf. Glenn Bradford served as the Board's legal advisor at the hearing, during deliberations, and in preparing this Order. Testimony was adduced, exhibits were received into evidence, and the argument of counsel was heard. The Board now enters its Findings of Fact, Conclusions of Law and Order Revoking the Osteopathic Physician and Surgeon License of Peter David Lee, D.O.

Findings of Fact

1. The Board of Registration for the Healing Arts (Board) is an agency of the State of Missouri, created and established pursuant to § 334.120 RSMo., for the purpose of executing and enforcing the provisions of Chapter 334, RSMo.
2. The Respondent, Peter David Lee, D.O. is licensed by the Board as an osteopathic physician and surgeon, license number 2003009581. This license was first issued on May 1, 2003.
3. On or about August 18, 2008, the Kansas Board of Healing Arts revoked the Respondent's license to practice osteopathic medicine and surgery in Kansas.
4. The reason for revocation of the Respondent's Kansas license was for inappropriate prescribing and/or administering of medications to 14 patients.
5. Inappropriate prescribing and administering of medications is grounds for discipline of a Missouri physician licensed under Missouri law pursuant to § 334.100.2(4)(h), RSMo.
6. Inappropriate prescribing and administering of medications is reasonably related to the qualifications, functions or duties of the profession.
7. The revocation of the Respondent's Kansas license is also grounds for discipline of a Missouri license that requires the Board to automatically revoke the Respondent's Missouri license pursuant to § 334.103.1, RSMo.

8. A copy of the complaint and notice of the hearing were mailed to Dr. Lee by first class mail. The first class mail piece was presumptively delivered to Dr. Lee. Dr. Lee had notice of this hearing.

Conclusions of Law

A. Dr. Lee committed inappropriate prescribing and/or administering of medications and Dr. Lee's Kansas license was revoked; all of which are reasonably related to the qualifications, functions or duties of the profession.

B. Pursuant to the provisions of § 334.103.1 RSMo., the Board has no choice in these circumstances but to revoke Dr. Lee's license as an osteopathic physician and surgeon.

C. Pursuant to § 334.100.5 RSMo., in any order of revocation the Board may provide that the person may not apply for reinstatement of the person's license for a period of time ranging from two to seven years following the date of the order of revocation; stay orders toll this time period.

Disciplinary Order

Upon the foregoing findings of fact and conclusions of law, it is the decision and order of the State Board of Registration for the Healing Arts that the physician's license of Peter David Lee, D.O. be and is hereby REVOKED.

Dr. Lee shall immediately cease the practice of the healing arts, and shall within ten days of the date of this order return all indicia of licensure to the Board.

Dr. Lee shall not apply for reinstatement for a period of seven years from the date of this order, and any premature application for reinstatement shall be summarily rejected under the authority of this order.

Dr. Lee is cautioned that his obedience to the terms of this order and his discharge of his professional obligation to transfer his patients' care and records to other physicians will be assessed by the Board upon any application for reinstatement.

So ordered this 12 day of May, 2009.
